

Our Pos	Old POS
Records all the revenue, costs, gross profits from bikes & spare parts only .	Has Accounts portal: Records all the revenue& expenses including bikes n spare parts trading.
Client is okay with that and no more changes needed for it.	

His Requirement

- Need **account portal** : to **enter all transactions** including starting from income sources (customer payments & other incomes)
- **Question:** How **can we retrieve bike/spare parts sales automatically** to it so he only have to **enter other income manually**?

Current Workflow – Steps with tabs

1. Invoice/Invoice

- Make the sale and take the money

2. Invoice/Receipts

- Print receive for each invoice

3. Accounts/Cash Deposit

- View all the receipts
- Submit each receipt to selected account (**Money deposit complete**)

4. Accounts/Payment Voucher (Entering expenses from one account to another)

- Select other payments
- Select cr acc & dbt account
- Add voucher

The screenshot shows a 'Payment Voucher' form. At the top, there are several checkboxes: 'Vehicle Clearance Payment', 'Bill', 'Other Payments' (circled in red), 'Permit Payments', and 'Customer Overdue'. Below these are more checkboxes: 'Leasing Payment', 'Loan Payment', 'Customer Refunds', 'Secondhand Vehicle Purchase', and 'Advance Invoice refunds'. The form includes input fields for 'Amount (Rs.)', 'Description', and a 'Payment Type' dropdown menu. At the bottom, there are two dropdown menus for 'Select Cr Account' and 'Select Dr Account', both with '- Please Select -' as the current value. A green 'Add to Voucher' button is located at the bottom left.

5. Accounts/General Ledger

- Select account
- Exports it transactions to each

The screenshot shows the 'General Ledger' report. At the top, there are filters for 'From Date' (2025-05-01), 'To Date' (2025-05-17), and 'Account' (JLracing HNB, circled in red). There are 'Search' and 'Excel' buttons, both circled in red. The table below has columns for 'Account Code', 'Ref No', 'User', 'Date', 'Chassi No', 'next Account', 'Description', 'cheque No', 'Dr (Rs.)', 'Cr (Rs.)', and 'Balance (Rs.)'. The first row is 'Open Balance' (circled in red) with a date of 2025-01-01 and a balance of 22232533.14. Subsequent rows show 'cashdeposit' transactions (circled in red) with dates from 2025-01-02 to 2025-01-06 and increasing balances.
